FREE Resource: Nebraska Exchange

As a participating Communities for Kids community, all child care providers (and center staff) have access to the Nebraska Exchange website. This has a variety of child care resources, coupon codes, several FREE Nebraska approved trainings, and so much more! Please note that the website is NOT affiliated with the Exchange magazine you might be receiving as a Step Up to Quality participant.

If you do not have an account, you can register for here: www.nebraskaexchange.org (it might take 24 hours while they verify that you are from Hall county).

How Do I Stay Open???

We are seeing a variety of situations popping up with the risk dial back at orange. Some have needed to navigate the difficult decisions to such as to again remain open or to close and also changing long-standing family-friendly policies and procedures. Of course, each of you are able to make decisions based on what is best for your individual business. We are all finding that partnering with families while keeping their children safe and looking out for the best interest of your business might not all be possible at the same time when considering how to put in place new policies and practices surrounding COVID-19.

YOU Are Valued and Appreciated

The Hall County early childhood team is here to support you! As part of this support, we will begin hosting monthly gatherings to allow you the opportunity to share questions, fears, concerns, etc. with your peers. We will also bring the latest COVID-19 information that pertains to your business type. The first home provider group will meet 10/29 @7:00-8:00 pm and director (center/preschool) group will meet 10/27 @1:00-2:00 pm. We will consider offering a center staff gathering if the need is expressed. Register for these virtual groups at <http://www.h3cne.org/events>

Lastly, the business resources, mindfulness tools, and supplies to help with COVID-19 you received are a combination of funding sources and donations that have been compiled to support you. Thank you for caring for children and families!!!
