The purpose of the 11 – 24 Subcommittee is to further the mission of H3C by:

Garnering stakeholders to work together to coordinate community efforts to enhance the prevention, early intervention, and intervention systems of care for youth 11 to 24 and for families in Hall County.

Behavioral Health Subcommittee: 1st Thursday from 9:00am-11:00am (every two months Feb, April, June, Aug, Oct, Dec)

The purpose of the Behavioral Health Subcommittee is to further the mission of H3C by:

Implementing, sustaining, and expanding initiatives and trainings that improve positive emotional health and connect a culturally, inclusive, linguistically sensitive community-based prevention system with an array of resources that address the determinant of health to minimize behavioral health problems for children and families.

Birth – 11 Subcommittee: 1st Friday from 11:00am-12:00pm

The purpose of the Birth – 11 subcommittee is to further the mission of H3C by:

Leading and support Hall County's diverse early learning community and improving access to high quality programs and experiences for all families and children ages 0-11.

Community Response Subcommittee: Recurring time has not been established

The purpose of the Community Response Subcommittee is to further the mission of H3C by:

Leading and supporting the system of supports and services for children, youth, and families to strengthen families and build protective and promotive factors that can prevent families and young people from unnecessary entry or re-entry into higher-end systems of care.

Community Cafés: In Development

A series of conversations that are planned and led by members who learn the Community Café approach, can relate to the participants, and build on the assets of their community. Cafés will be planned thinking about the customs, art, food, music, and other culturally relevant ideas to create a welcoming, safe space. Meaningful relationships develop as parents and community partners participate as equals in dialogues that value reciprocity and honors everyone's contributions.
